# DIAMOND GLOW®

Experience DiamondGlow®—a next-level, noninvasive skin-resurfacing treatment, designed to work with SkinMedica®, the best in skincare science. Together, they deliver radiant, healthy-looking skin. DiamondGlow® is more than a facial.

Unlike traditional wet facial treatments, which rely on chemical exfoliation to treat skin at surface level, DiamondGlow® patented recessed diamond tip wand delivers a next-level resurfacing treatment that deeply cleans and rejuvenates the skin.

Watch the DiamondGlow® process:

DiamondGlow® is a patented, non-invasive 3-in-1 treatment that simultaneously exfoliates, extracts, and infuses skin with condition-specific serums. There is no down time, you will see instant and long-term results for hyperpigmentation, dark spots, sun damage, aging skin, dry/dehydrated skin, enlarged pores, oily prone and congested skin, rough skin texture and some improvement for fine lines. It is safe to be used around the eyes and on the lips.

Our DiamondGlow Facial is available as a 30-minute Standard Treatment or a 60-minute Deluxe Facial... go ahead, treat yourself to a pampering one-hour clinical and relaxing facial treatment!
